DATES AND PROGRAMME

The twelfth **Master Diving Training Camp** (*Master Camp* for short) will take place **from August 25 to 30, 2025**.

Master Camp participants will be divided into groups based on their registration and skill level (**novice**, **beginner**, **intermediate**, and **expert**). Each group will consist of 8 to 10 divers, following the structure used in previous years.

Each day, we will have one or two training sessions, following this schedule:

- **Monday to Friday:** 10 AM – 12 PM, 4 PM – 6 PM
- **Saturday:** 10 AM – 1 PM

Each training session will be divided into two parts: in the first part, some groups will train in the gym while others practice and dive in the pool. In the second part, the groups will switch.

On **Saturday**, the final part of the session will feature a friendly mixed-team competition, giving you the opportunity to practice your new and improved dives. Participation is optional – but it will be fun, and you might even get some special gadgets!

THE VENUE

We will host our Master Camp at the outdoor pool of the **Stadio del Nuoto – Foro Italico** diving and swimming complex in **Rome**, a world-class pool which hosted the World Aquatics Championships in 2009 and the European Aquatics Championships and Masters Championships in 2022.

The facility meets all World Aquatics Rules and Regulations. It is equipped with four 1-meter springboards, three 3-meter springboards, a full platform tower and a bubble system. A fully equipped gym, trampolines, dryland springboards, and rigs will also be available.

THE COACHES

A high-level technical staff will be available for the Master Camp, including highly experienced divers and former divers, as well as Olympic, European, and national-level certified coaches and trainers. They are part of our seven-time consecutive Italian champion team, and will be supported by established partners.

At this time, our club cannot guarantee the presence of specific coaches or trainers due to the intense 2025 season, which will conclude just two weeks before the Camp with the National Championships – once again, our divers and coaches will have very little rest!

FREQUENTLY ASKED QUESTIONS

- Our coaches speak Italian, English, and Spanish.
- Any credit or discount you may be eligible for will be redeemed in August.
- The quota includes basic insurance and there is lifeguard service at the pool. All of our coaches have certified lifeguard training as well.
- You don't need any special equipment at the pool. Bring a backpack or a duffel bag with:
 - comfy gym attire (a tee, shorts and fitness shoes will be fine) for the gym session;
 - swimsuit and slippers (and a shammy if you have one) for the pool training;
 - all you need for showering and leaving the pool after the session.
- We don't offer specific accommodation options ourselves, because many divers showed quite different needs in early years and we discontinued affiliated options. We recommend to look options in Della Vittoria and Flaminio districts, which usually have plenty of available options in late summer and they're not far from both the pool and the Vatican City area, and the pool is very well served by public transportation from those districts. The area around the Vatican (Cipro) and the Prati district are fine too, and so are Ponte Milvio (which doubles as a main hub for meals) and the Stelluti district.
- A custom map with the highlighted districts is available here: <https://shorturl.at/MNTgJ>
- If you need a receipt, please select the appropriate field in the reservation form. You will receive it before the end of the Master Camp week.
- If you already know that you won't be able to attend for more than four days, please let us know by replying to the first confirmation email.
- If you need help or additional information, or have any unanswered questions, please email us at mastercamp@tuffimrsport.it — our representatives will be happy to assist you.
